Business as Mission Network/BlueFish Fusion Events	Justin Forman	<a href="mailto:justin@rightnow.org">justin@rightnow.org</a>	We want to help change the message that Christian business people are hearing and mobilise them for action. What if the untapped business resources in the church globally were released for missional impact? What if more Christian business people were world-leaders at tackling global evils through business? The business as mission website is about connecting and resourcing businesses and business people to that end.	<a href="http://businessasmission.com/">http://businessasmission.com/</a>
C12 Group	Joe Galindo (Dallas)	<a href="mailto:joe.galindo@c12group.com">joe.galindo@c12group.com</a>	C12 is a unique executive peer advisory board made up of Christian business leaders and company owners. We meet away from our businesses for a day each month to study and share excellent business practices and solutions from a Christian perspective. This isn't some type of business network and we don't solicit each other for business. We come together to learn how to better grow our businesses, to improve our execution and to challenge, encourage and hold each other accountable as we become better leaders.	<a href="http://www.c12group.com/">http://www.c12group.com/</a>

Forge Dallas	Ryan Hairston	<a href="mailto:ryan@forgeamerica.com">ryan@forgeamerica.com</a>	Forge America, in partnership with local churches, universities, and seminaries around the country, trains men and women to live as missionaries in their neighborhoods, their workplaces, gyms and campuses, where they're already doing life. We shape people to see the truth we see in Scripture.	<a href="http://www.forgeamerica.com/">http://www.forgeamerica.com/</a>
The Giftedness Center	Bill Hendricks	<a href="mailto:billh@thegiftednesscenter.com">billh@thegiftednesscenter.com</a>	We help individuals at all ages and stages of life discover what they were born to do, and then use that insight to make life and career decisions that fit them. Every person has their own unique giftedness. Including you. The best way to discover it is not through a test or an inventory, but from your own life story.	<a href="http://www.thegiftednesscenter.com/">http://www.thegiftednesscenter.com/</a>
